

COURSE DESIGN AND SUPPORTIVE SERVICES

LLL

LIFE LONG LEARNING

Our Mission: Support a growing population of international students

Currently 1108 international full time students at the Faculty of Informatics: one third of all students

Teaching soft skills for life: academy and industry

SKILL

SOFT SKILLS

Transferable skills, Transversal skills

We provide **soft skill training** in the first semester in a compulsory course.

Topics: Intercultural sensitivity, Communication, Learning methods, stress- and time management

EQUITY

EQUITY

30 hours of soft skill training for BSc students for both domestic and international students

Weekly mentor classes and soft skill training

JEDI - Justice, Equity, Diversity, Inclusion

MEASURE

MEASURABILITY

Research about the **efficacy of the intervention**

Leadership decision making based on data

Dropout decreased on the **Bachelor** programs

- **Domestic:** from 60 % to 30 %

- **International:** from 23 % to 3 % in semester 1.
